Jamie McCallum is a Senior Associate and Law Institute of Victoria Accredited Property Law Specialist, in the Business and Property Law Team at Harwood Andrews.

After practicing property law for several years in regional Victoria, Jamie has developed an interest and expertise in complex property due diligence advice, and transactional work relating to industrial, commercial, and farming real estate transactions.

Jamie takes a collaborative approach and works with other members of the Business and Property Law Team to identify effective land acquisition entities and structures for clients. He also places a strong emphasis on providing clients with commercial and straight forward advice relating to property taxation issues.

JAMIE'S PROFESSIONAL COMMITMENTS INCLUDE:

- ◇ Member of the Law Institute of Victoria
